

PROFILE

Passionate Computer Science and Engineering student with an interest in software development, web development, and AI. Committed to learning and creating effective, high-quality solutions.

EDUCATION

Govt Ganapath Vocational HSS Feroke

Higher secondary education
2018 – 2020

College Of Engineering Munnar

B.Tech in Computer Science Engineering
2021 - PRESENT | APJ Abdul Kalam University

SKILLS

- Project Management
- Teamwork
- Time management
- Leadership
- Effective Communication
- Critical Thinking

LANGUAGES

- English
- Malayalam

TECHNICAL SKILLS

Languages : C, Java
Web Technologies : HTML, CSS

PROJECTS

Visual Price Checker

Designed a product recognition and price comparison tool using Google Vision API and Python. Backend automated with Beautiful Soup and Selenium, while the frontend was built with HTML, CSS, and PHP for seamless user interaction.

Improving Brain Tumor Diagnosis Using Image Segmentation(Ongoing)

Currently working on a project focused on brain tumor detection using advanced image segmentation techniques. The project also aims to incorporate volumetric analysis for enhanced diagnostic insights.

CERTIFICATIONS

- Data Science and Machine Learning Internship Program
- Artificial intelligence internship program
